Subj: CERTIFICATION OF LIFERAFT SERVICING FACILITY

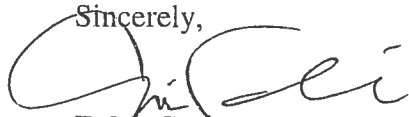

The annual inspection of your facility required by Title 46, Code of Federal Regulations (CFR), Part 160.151-41 (c), was conducted on December 03, 2015. Your facility has been found to meet all applicable requirements of Title 46 CFR Parts 160.151-39 through 160.151.47 for the servicing of Survitec Group, and Viking inflatable liferafts. This facility certification expires one year from the date of this letter. It is requested that you contact my representative listed below 30 days before this expiration date in order to arrange our annual re-certification inspection. This letter shall remain posted with servicing personnel certificates of competence and will be made available to the U.S. Coast Guard upon request.

Pursuant to Title 46 CFR Part 160.151-41 (e), the following personnel have been approved to service and repair the following U.S. Coast Guard approved liferafts:

Servicing Technician	Certificate of Competence issued for the following manufacturers:	DATE ISSUED	DATE EXPIRES
Anthony V. Rodriguez	See Attached Documentation		
Oscar San Miguel	See Attached Documentation		

This office is to be notified of any changes to your list of employees qualified to service liferafts per Title 46 CFR Part 160.151-41 (b) (2).

If you have any questions or concerns regarding this letter, please contact Sector Houston-Galveston Domestic Inspections at (281) 464-4733

Sincerely,

E. M. Carrero
Commander, U.S. Coast Guard
By Direction
Officer in Charge, Marine Inspection
